Jason Allen

Dear Rochelle,
A very sweet girl
whom I enjoyed meeting
this year. I love your person-
ality, because it always seems like
you're in a good mood. It's not very often
anybody finds a nice, sweet, and good-looking
girl, who's not stuck up. I really appreciate you
being such a nice friend to me, I hope I was able to
send the same kind of friendship in return. I hope that
you make it big in high school, as big as you are with me. Stay
the way you are, don't ever change, because if you do I'll never
forgive you, and we'll lose our friendship. I'll make a deal
with you, if you try not to change I'll try not to change okay?
We'll thank you for being a wonderful friend to me, hope
I see you most of the time during the summer, and
especially next year. Take care of yourself, and let
me treat you good; you deserve it. Love

Your friend

To Rochelle,
You are really
sweet girl and
I'm glad we are
friends. I hope we
can be friends for a
long time. I hope I see
you during the summer. I
probably will since you live
on my block. I hope I see you
next year. Good luck in the
future. You are a really pretty
girl. I hope you stay as pretty
as you are now. Will take care See ya!

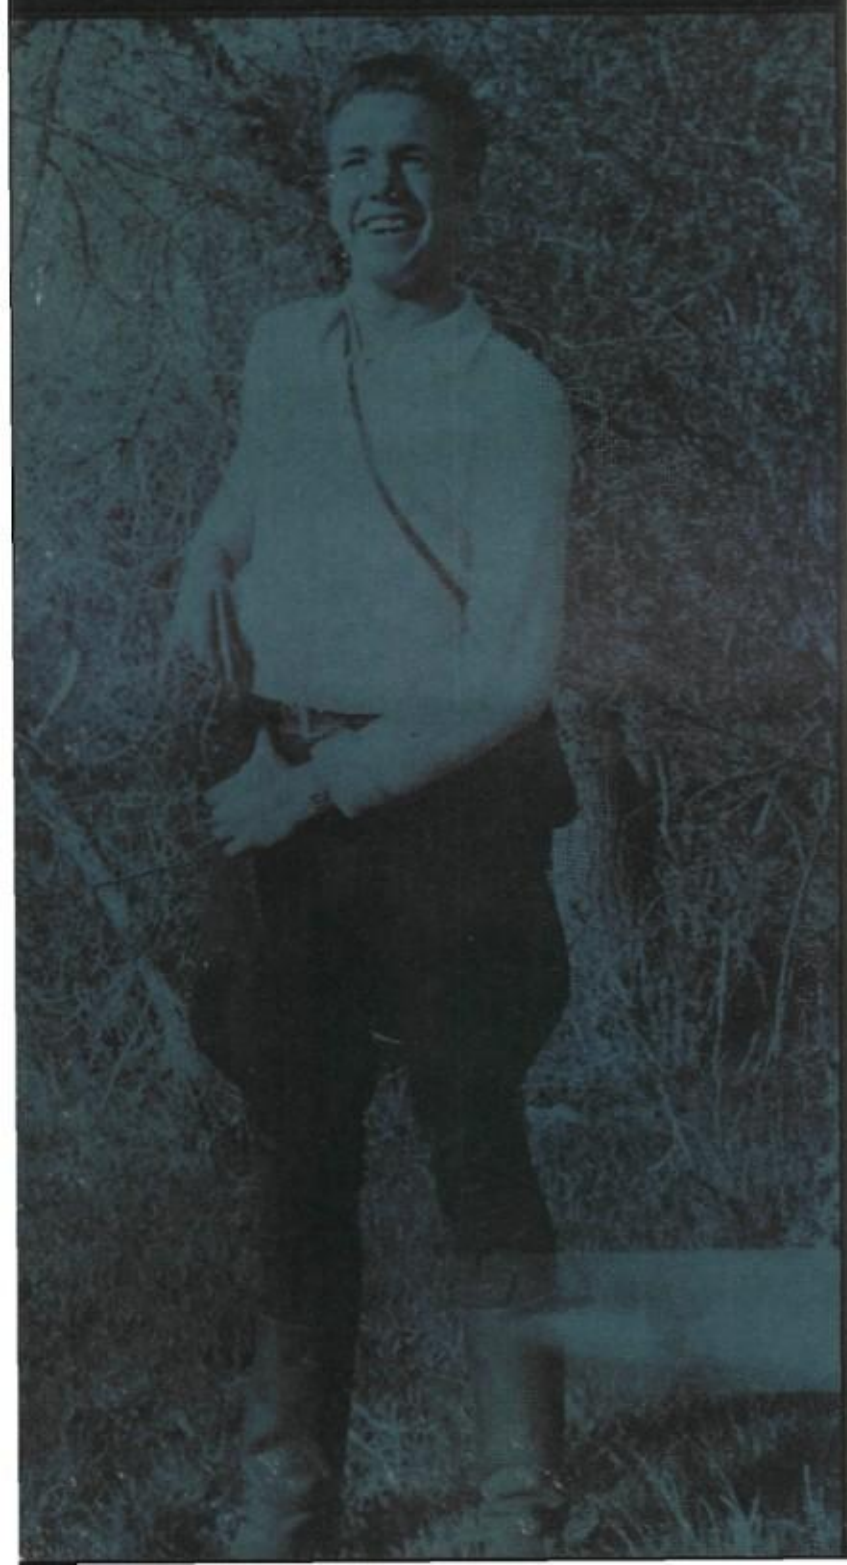
The Future Is Our Responsibility

Expand! Reach toward the stars for tomorrow is ours. We are the hope for the future. We can be anything if we strive to make our footprints in the sand.



He is a man of outstanding quality. He works diligently to obtain the highest goals in life.

He started his career as a teacher at Uintah High School in Vernal, Utah in 1938. At the outbreak of WW II he served for three years as Communications Officer in the United States Navy. On his return to education he moved up the ladder of success from teaching to becoming principal at Wright Intermediate Sch. for 10 years and then Asst. Principal at John Glenn.

For the many years he has lived in the Norwalk community his concern has been for the youth. It has led him to serve on the Y.M.C.A. board of directors for 10 years and as Boy Scouts merit badge counselor for 25 years. His active membership in the Church of Jesus Christ of Latter-Day Saints has brought him 20 years on the stake high council and two years as bishop.

His hobbies include wood working, gardening, cooking, reading, fishing, golfing, and traveling to various countries.

He is a man of well-being and is always there ready to help. He always has a warm smile and the students and faculty greatly appreciate him. His friendly personality permeates the school campus. His respect for people and education puts a new dimension to the word "school".

To an outstanding man who is dedicated to his work and the youth of today, we proudly dedicate the 1981 Patriot yearbook to Mr. Nyals T. Andreason.

Mr. Horst Weiss

Foreign Exchange Teacher From Triberg, Germany

This year John Glenn High School has, for the first time, an exchange teacher from Germany. Mr. Horst Weiss will be with the Glenn faculty for this 1980-81 school year teaching physical education.

Mr. Weiss is originally from Berlin, Germany, but now lives in the small town of Triberg in the Black Forest. This is a very beautiful part of Baden-Wurttenberg, a state in southern Germany near the Swiss border. He prefers this part of Germany because it is in the middle of nature. It is extremely hilly and green. He and his family enjoy living there. This area is also a popular tourist attraction, with tourists from all over the world.

In Triberg, Mr. Weiss taught English and was involved in coaching varsity sports, soccer in particular. Asked how teaching is different here he answered, "Grades basically. In Germany students are graded on their own individual effort." He commented that while he likes both the staff and most of the pupils, some of the pupils need to display more self-discipline. He also likes the facilities here at school, especially the outdoor sports facilities. As an active person, Mr. Weiss enjoys the outdoors with his wife and two children, a girl, Sevenja, four, and a boy, Jan, two. They all like hiking and winter sports. He particularly likes skiing, chess and do-it-yourself jobs around the house.

Asked what his goals and ambitions are, he answered, "Most of my goals and ambitions are fullfilled for myself. I've been an exchange teacher in England before here and I would like to continue doing this. My goals are basically for my family. I would like a good education for my children." Lastly, the one thing he misses about his home is jogging with his dog, Maxi, a black labrador. We're very happy to have Mr. Weiss here this year.

Mrs. Frieda Schegetz

Our Foreign Exchange Teacher

Mrs. Frieda Schegetz, a well-loved member of our faculty, had the opportunity of being an exchange teacher in Triberg, Germany for this school year. Life in Triberg is most enjoyable and a lot of hard work.

The students are industrious and very friendly. Mrs. Schegetz teaches three English classes and two German classes to 7th, 8th, and 9th graders. The scenery is gorgeous and in her spare time Mrs. Schegetz enjoys hiking with her family. She loves her work and the country. We, the faculty and students of John Glenn, miss you and are very proud of you!!!

THROW THE KEY AWAY

I have shut the door on yesterday,
It's failures and mistakes.
I have locked within its gloomy walls
Past failures and mistakes.
And now I throw the key away,
And seek another room.
And furnish it with hopes and smiles
And every springtime bloom.
No thought shall enter this abode
That has a tint of pain.
And envy, malice, and distrust
Shall never entrance gain.
I have shut the door on yesterday.
And thrown the key away;
Tomorrow holds no fear for me
Since I have found today.

-Susie Smith

"Well Mr. Light Post, how are you tonight? I noticed your buddy down the street a ways flicker out before 9:00 every night. I wonder what's wrong with him?"
"Do you? Really? I find that hard to believe?"
"What the . . . ?"
"Yes, the light post you just addressed is talking to you. After all it's not only Halloween, it's 12:00 midnight. The only time a human being can hear us."
"You mean, if I got here an hour earlier, I wouldn't be able to hear you?"
"Oh yes, you could have heard me. Anyone can hear us if they chose to. But . . . alas, they're too busy to take a quiet moment to stare up at the stars on a crisp, clear night with the soft glow of my light giving you just enough reassurance that the Boogey Man won't get you."
"Now you're being cynical!"
"I may be that, but I've been around longer; I've seen the changes. That "buddy" of mine, as you called him, has too. And he can't handle it. That's why he turns off all the time, poor guy. He needs a vacation."
"What are you talking about? I can't take anymore! What changes?
"Violence, my dear. Why, I remember a time when you and all the neighborhood kids would use me as the hide-and-go-seek base. Your screaming and shouting and bursts of laughter made my wires tingle with joy. Now I quietly glow while I see young men kill and get killed. Standing on the corners smoking that "dust" as you call it. Once a boy died at my base; didn't have a chance at life. They shout out the names of their "varrios" and obscenity back and forth. I've seen them with broken ribs, concussions, and multiple bruises. I remember a time when Halloween was the most undangerous thing around. Now there are stories of razor blades and heroin. And somewhere in the stillness of the night, a beautiful, innocent, young lady is being raped; a senior citizen is being beaten, and groveling in the dust in intense agony. Just seconds ago, he was walking home then suddenly beaten, stabbed, and kicked brutally by other youths. Yes, this is becoming more common everyday and I witness it. Day after day, night after night, year after year."
"Well why don't you go out like he does?"
"And give up hope? Put yourself in darkness? No! No, I can't do that. So long as there's light, there's hope. So long as there's hope, there will be someone who will stand up and fight. Then there will be a chance. There's no way I'm going to miss that."
I quietly left the lamp post, and when I turned back to look at him before entering the house, I could have sworn I saw it drizzling . . . but only in the soft glow of his light.

WHAT'S HAPPENING?

Registration

The new school year is approaching and the summer is coming to an end. Registration is your last chance to change any complications in your schedule. Hopefully your schedule is the same when you see it the first day of school. If you've survived registration week, then you can survive anything.

Pep Rallies

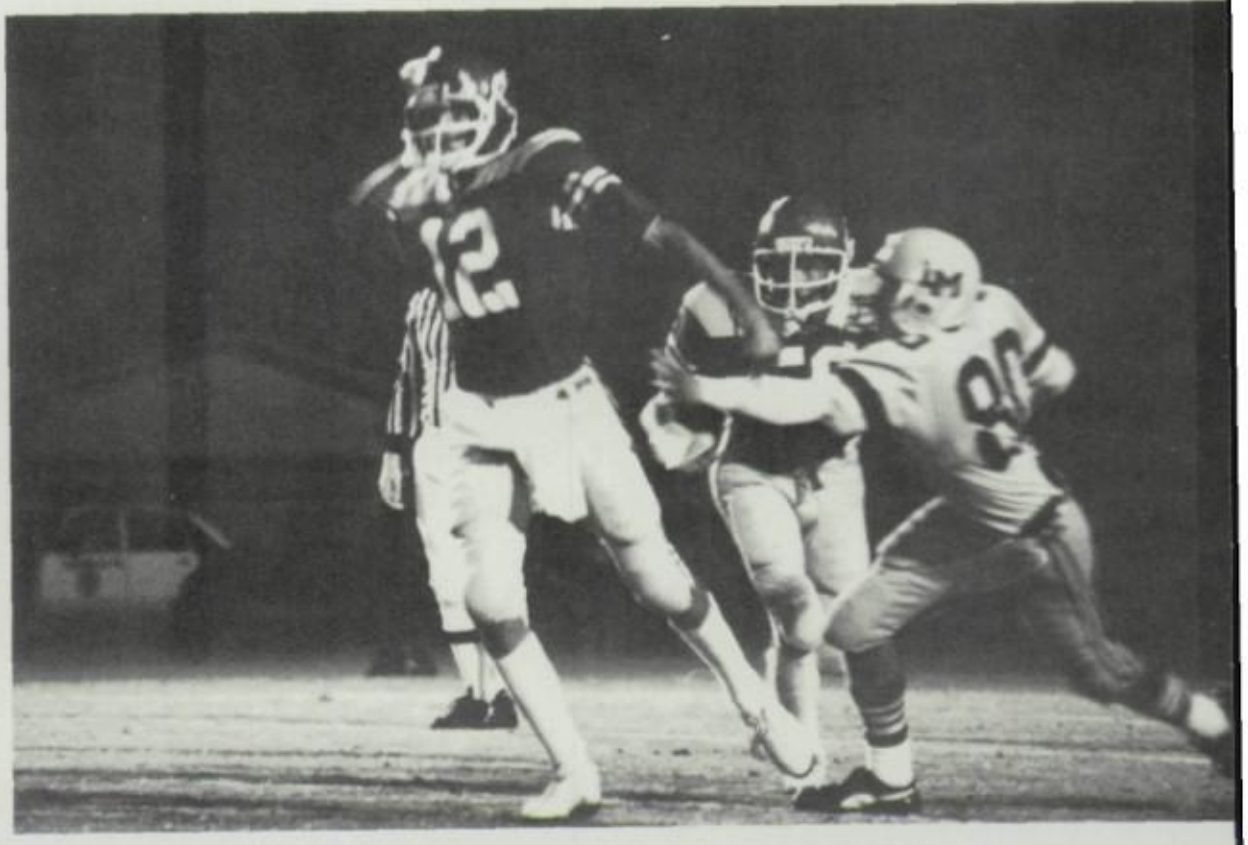
This year the John Glenn cheerleaders have put in much time and effort to lift the school spirit to a maximum. They made the roof rattle and the floor shake with laughter and enjoyment as the classes competed against each other in different games. Even the faculty seemed in high spirits. All in all the pep rally was the highlight of the week's events. The rallies put everyone in a good mood for the football game.

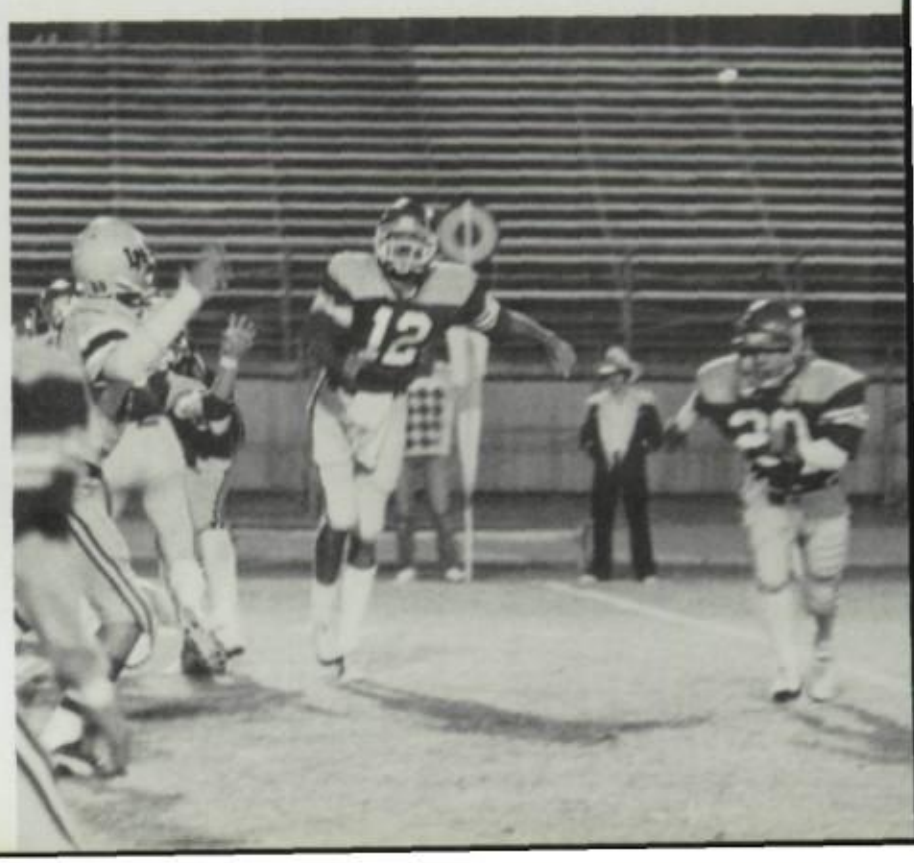
Homecoming Week Activities

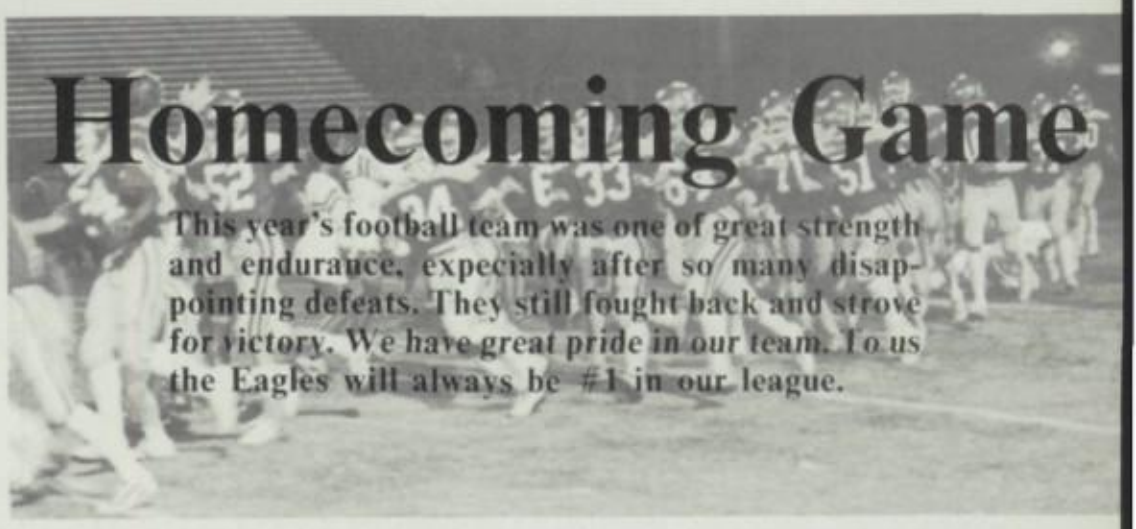
Homecoming Week

Homecoming Week this year was one week that won't be forgotten. Monday started the week off as Twin Day and everywhere you looked you saw double. Then Tuesday came along which was Tourist Day. It looked more like the nerds had escaped. Wednesday brought in the Punk Rockers. By the looks of them the Mafia looked like the good guys. Then on Thursday in crawled the babies for Baby Day. Last but not least was Friday with everyone dressed in our own patriotic school colors for Spirit Day.

Homecoming Court-Halftime







Homecoming Game

This year's football team was one of great strength and endurance, expecially after so many disappointing defeats. They still fought back and strove for victory. We have great pride in our team. To us the Eagles will always be #1 in our league.

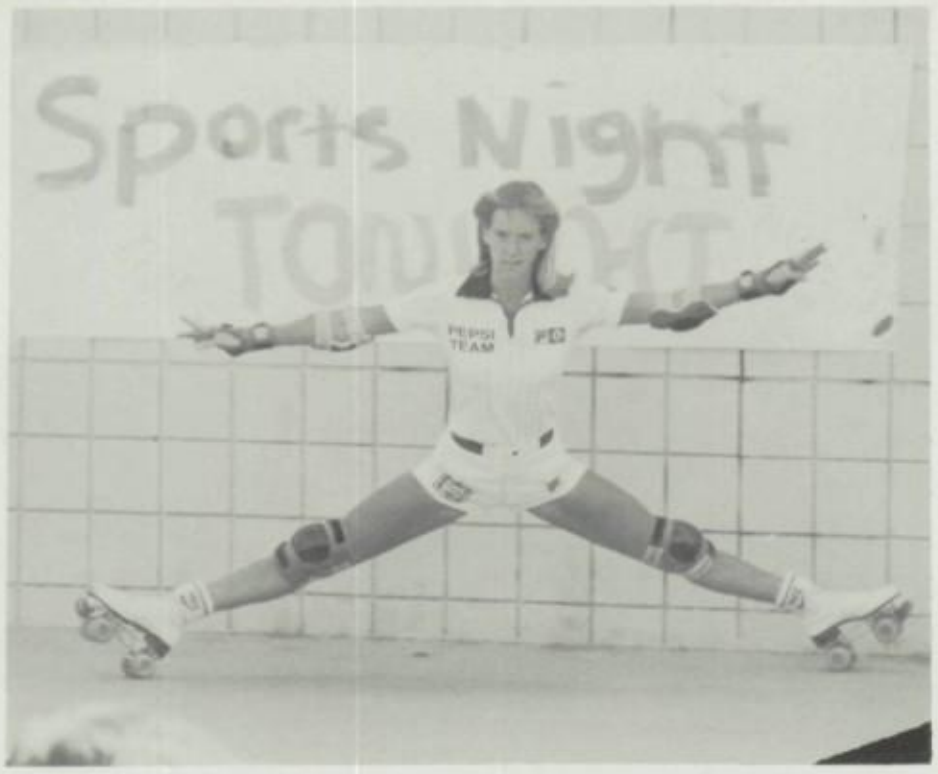
Homecoming Dance



The Pepsi Challenge

On Tuesday, October 28, the *PEPSI-COLA SKATEBOARD AND ROLLERSKATING TEAM* rolled into John Glenn. The team put on a fantastic performance about safety. The three-member team showed the students the proper safety equipment and safety tips on better skating. Then they put on an outrageous performance of skill on the skateboard and rollerskates. The crowd cheered enormously as the threesome accomplished many dangerous and challenging stunts. Thanks Pepsi-Cola!!!

Christmas Dance

In the spirit of good cheer the student body of John Glenn presented it's annual Christmas Ball.

The night of the dance will not be forgotten for weeks to come. The excitement and fulfillment of the dance was remembered for weeks after this major event.

Noah's Ark was the scene of the dance which was held on the enchanting evening of December 22, 1980, and the high light of the dance was the crowning of the Christmas Court. The conclusion of the dance was ended by the theme song "Together."

FUN ON WHEELS

This year's Rollerskating Party was held at Whittier Skateland. It started out as a fund raiser for our cheerleaders but turned out to be a "fun raiser" for everyone. People were laughing and giggling as their friends tripped around the rink. Shouts and screams were heard by innocent skaters as racing rollerskaters whizzed by. The evening was full of fun and excitement. It was a "funtastic" night.

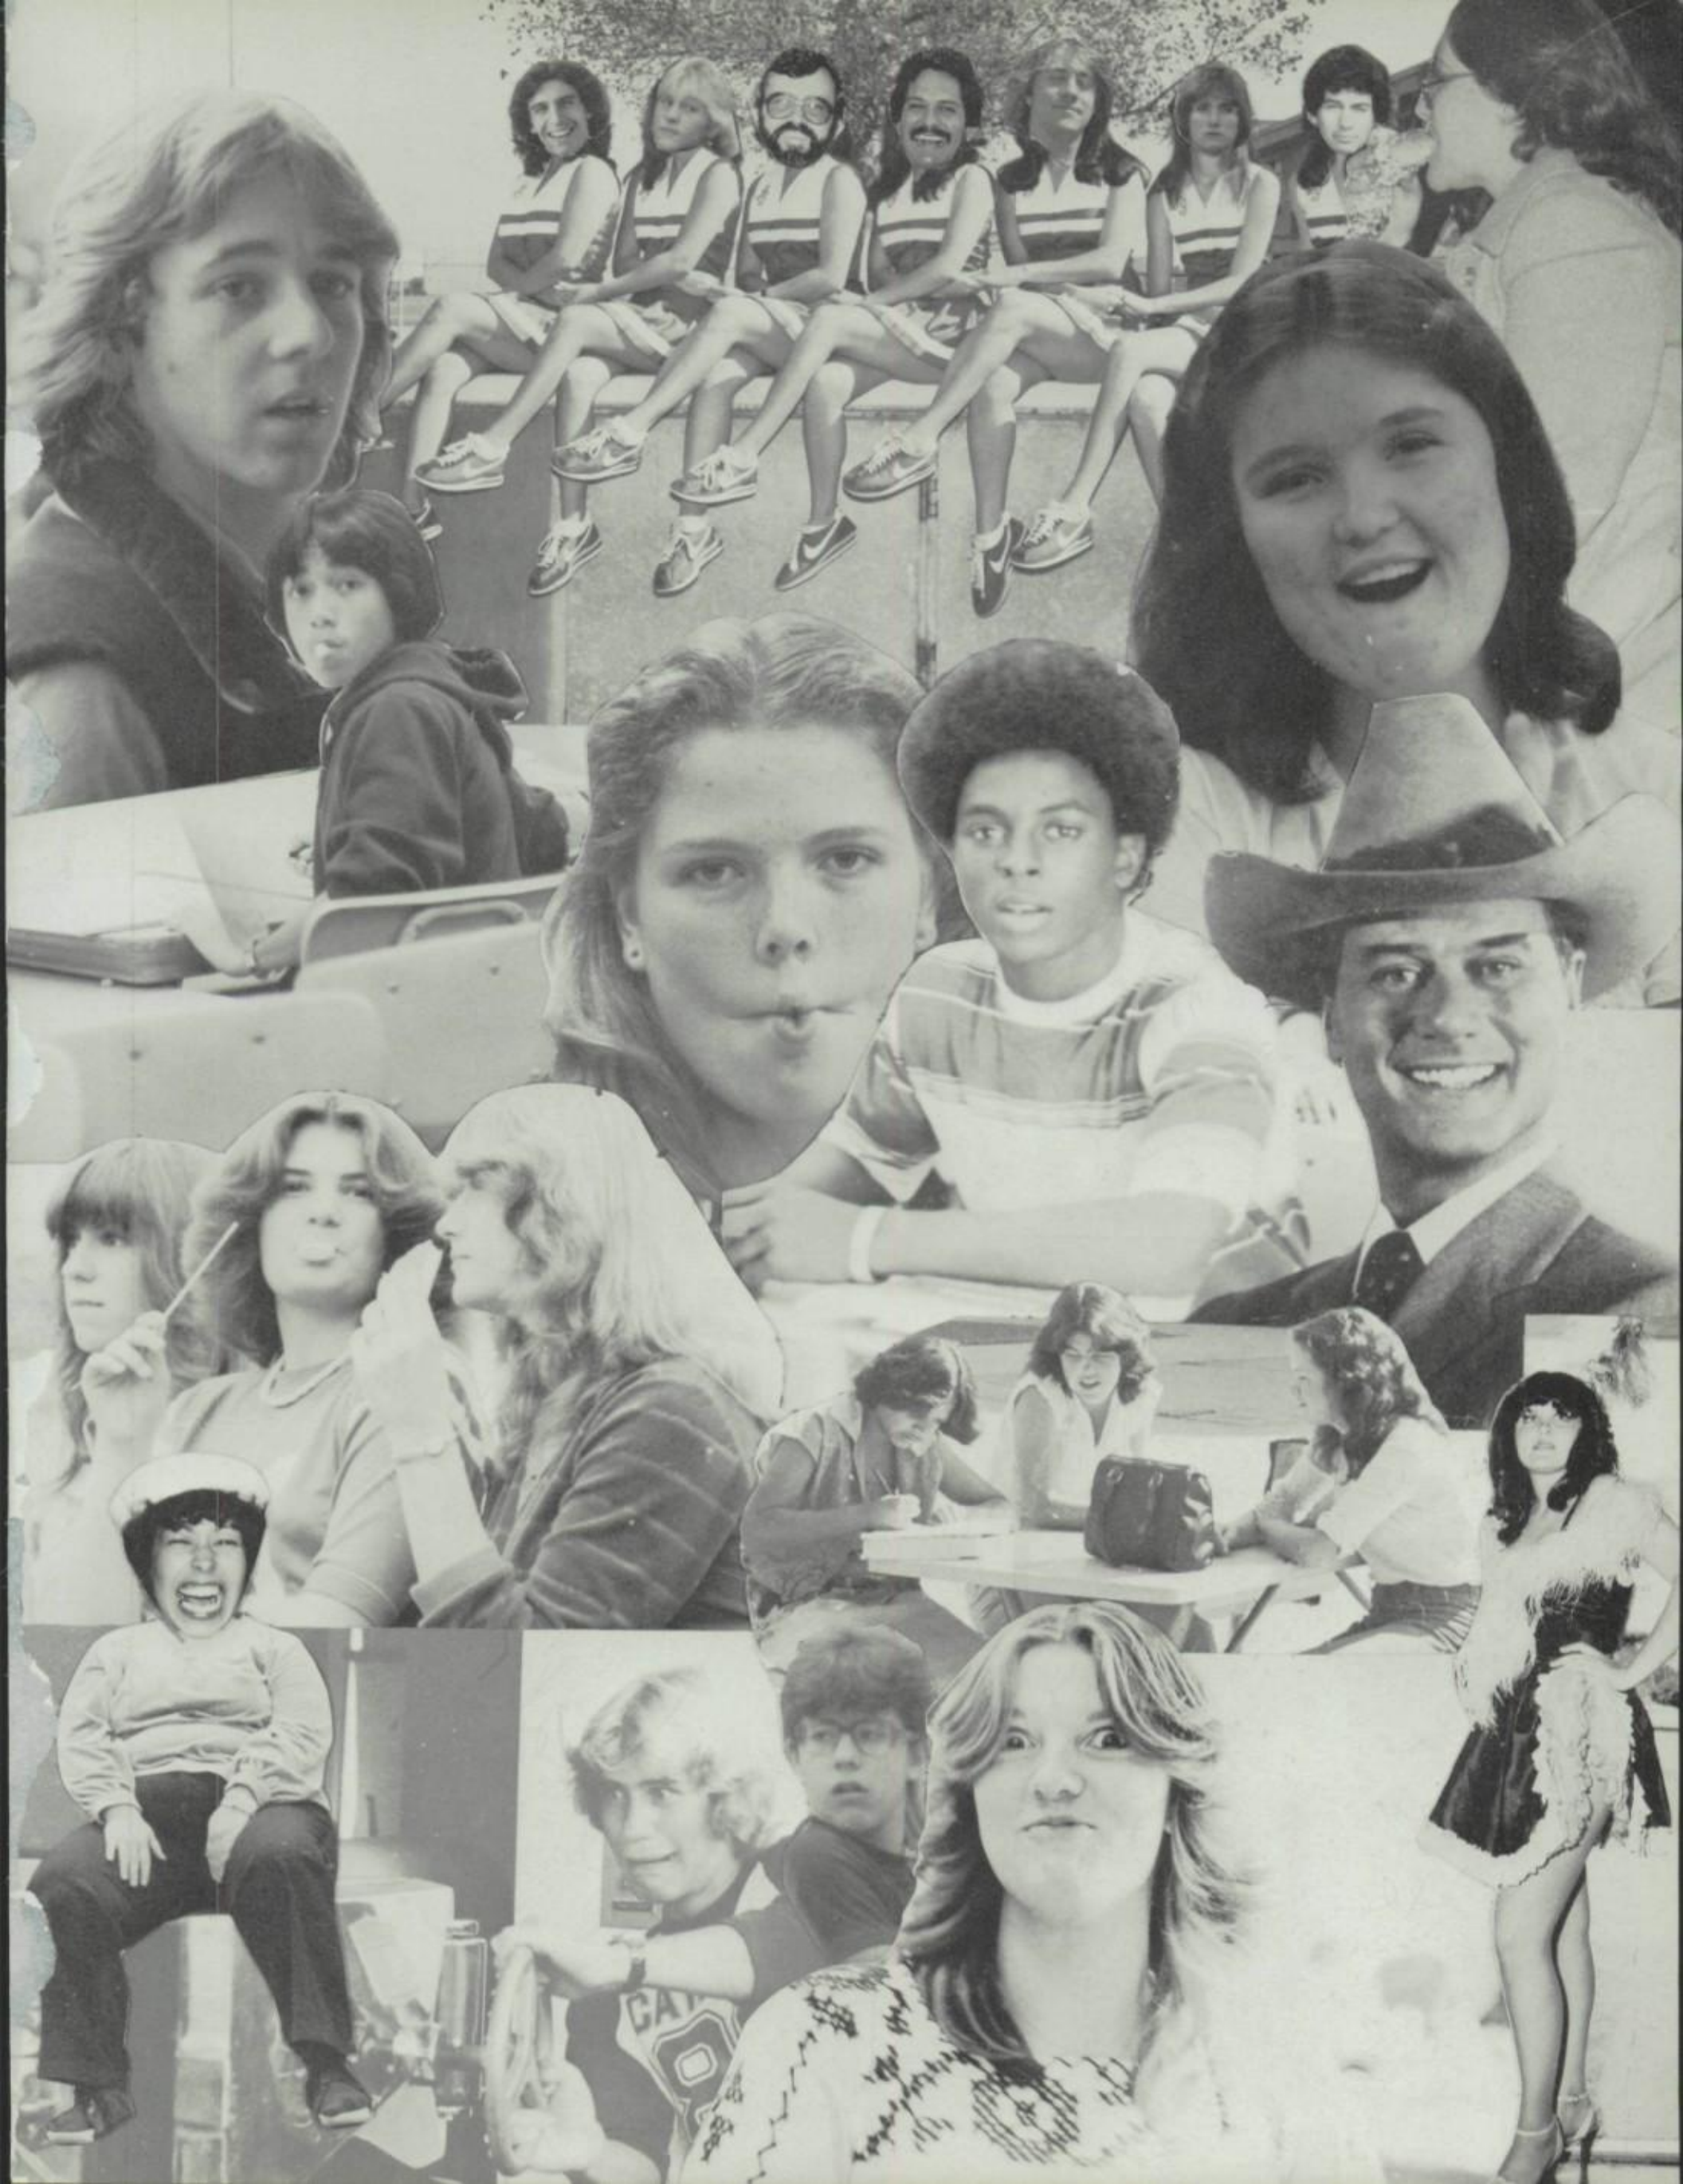
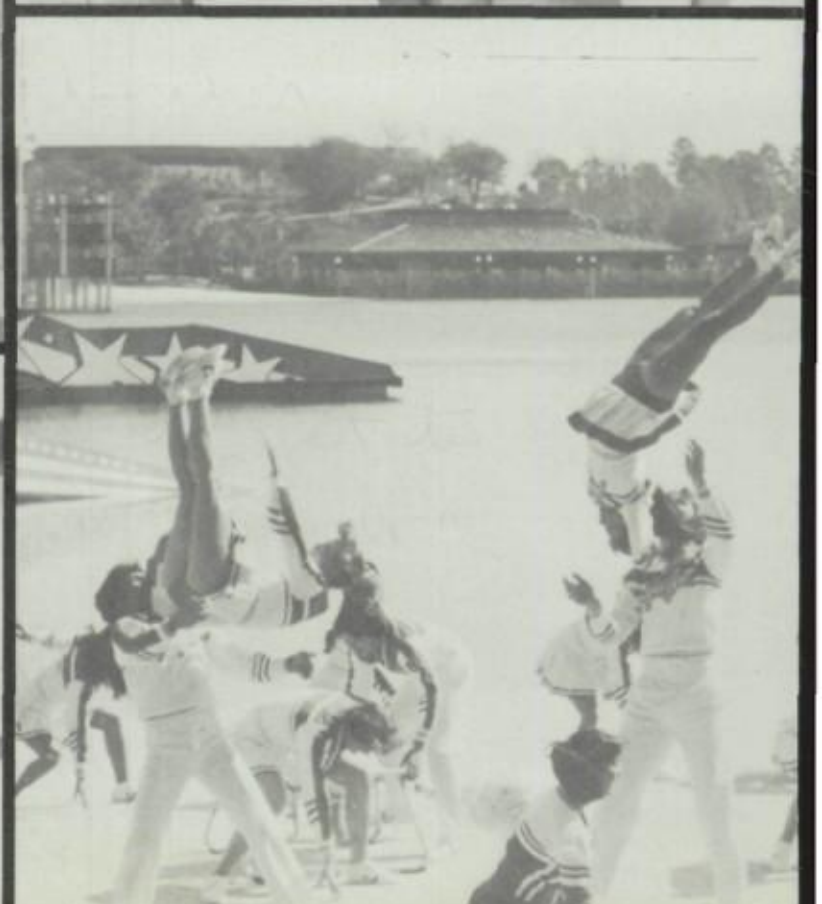
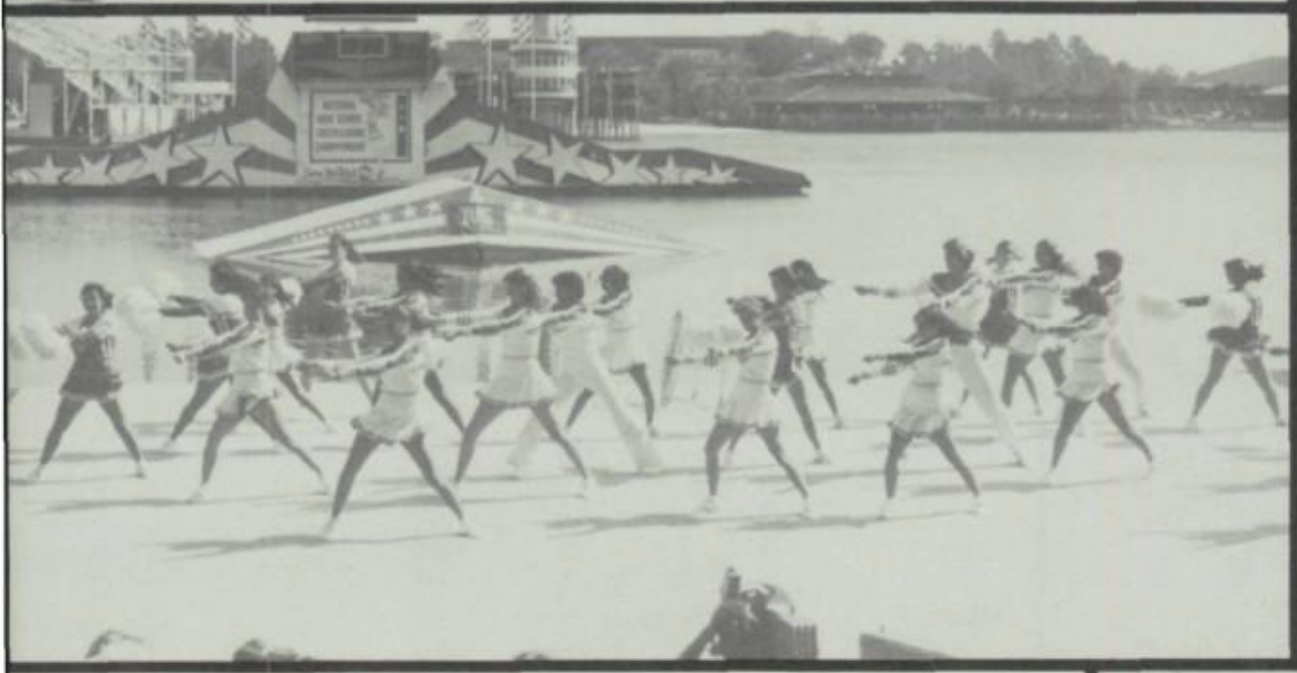
As The School Turns







Congratulations!

For an unbelievable second year in a row the Varsity Yell Squad walked away with national honors in Orlando, Florida at the National Cheerleading Championships. The squad, advised by Ray Lozano, came in third runner-up in the nation.

The competition was held for two days, Saturday, February 28th and Sunday March 1st at Sea World's Atlantic Theatre. There were 17 schools from all over the United States representing 9 regional competitions, Competition was stiff and the squads represented had a wide range of routines. Each region in the U.S. had developed a very individualistic style in their cheerleading making the choice of the winners even more difficult for the judges.

A Day to Remember - January 20, 1981.

On day 444 the U.S. hostages were flown to Wiesbaden, Germany from Iran and then a week later flown home to America. Ronald Reagan, our 40th President of the United States was inaugurated. Yellow ribbons symbolizing freedom to us all were worn or hung on doors and trees. People throughout the U.S. had started hanging a yellow ribbon on trees for each day the captives were held. "Tie A Yellow Ribbon 'Round The Old Oak Tree" became the theme song. *Our National Christmas Tree in Washington D.C.* was completely lit for the first time after two Christmas holidays without lights. 52 ex-hostages are now home. From everyone- It's good to have you home and WELCOME BACK!!!

June is now here, which marks the end of another school year and the completion of another yearbook. A book which holds the momentos of the months' past, and what a year it was! Not only was a new President inaugurated and the U.S. hostages released, but the final decision concerning the shut down of two high schools in our district announced. We can gladly cheer that J.G.H.S. will still be in session next year with the red, white, and blue colors forever flying high!

To the graduating Class of 1981, I wish you all Good Luck and hope that you always keep the John Glenn pride. Remember we are not saddened by this farewell and accomplishment but are looking for a new beginning.

Year after year, the thought about the new and unforgettable memories we all have built is always repeated, and this year is no exception. I would like to give my thanks to the photographers and staff members for their time and effort in capturing some of those special moments for everyone to remember. It is never a single person's achievement. They all worked long and hard and still kept their cool when asked, *"Is this year's book better than last years?"* or *"Is my picture in the yearbook?"*

My deepest gratitude and appreciation to our advisor, Miss de Julio, for teaching me the tricks of the trade and to Celeste Hawkins, my first asst., with all their help and encouragement. Staff. But most of all, thanks to you, the people of John Glenn, for without you this annual would be lacking the events, the places, the teachers, and special faces that have made this year all worthwhile.
